Imdb profile

PROFILE

Born in Bergamo, Italy and based in London, Robin is a freelance film editor specialised in long form, narrative driven, socially relevant and emotionally resonant filmmaking.

He is an Alumnus of the MA Editing course at the National Film & Television School, and since graduating he has worked on a variety of short and feature length films, mainly documentary but also fiction and animation. He is regarded as an assured, enthusiastic and technically proficient professional and he is equipped with an Avid-based station to work either remotely or in person.
